

# Building Community through Urban Agriculture

James Kuhns

Nerima City Urban Agriculture  
World Summit  
November 30, 2019

# Many functions of Urban Agriculture

Social inclusion  
Growing leadership

Skills development  
Environmental services

- The Stop Community Food Centre
- San Romanoway Garden
- Access Alliance Rooftop Garden

# The Stop

## Global Roots Garden

# The Stop

## Global Roots Garden

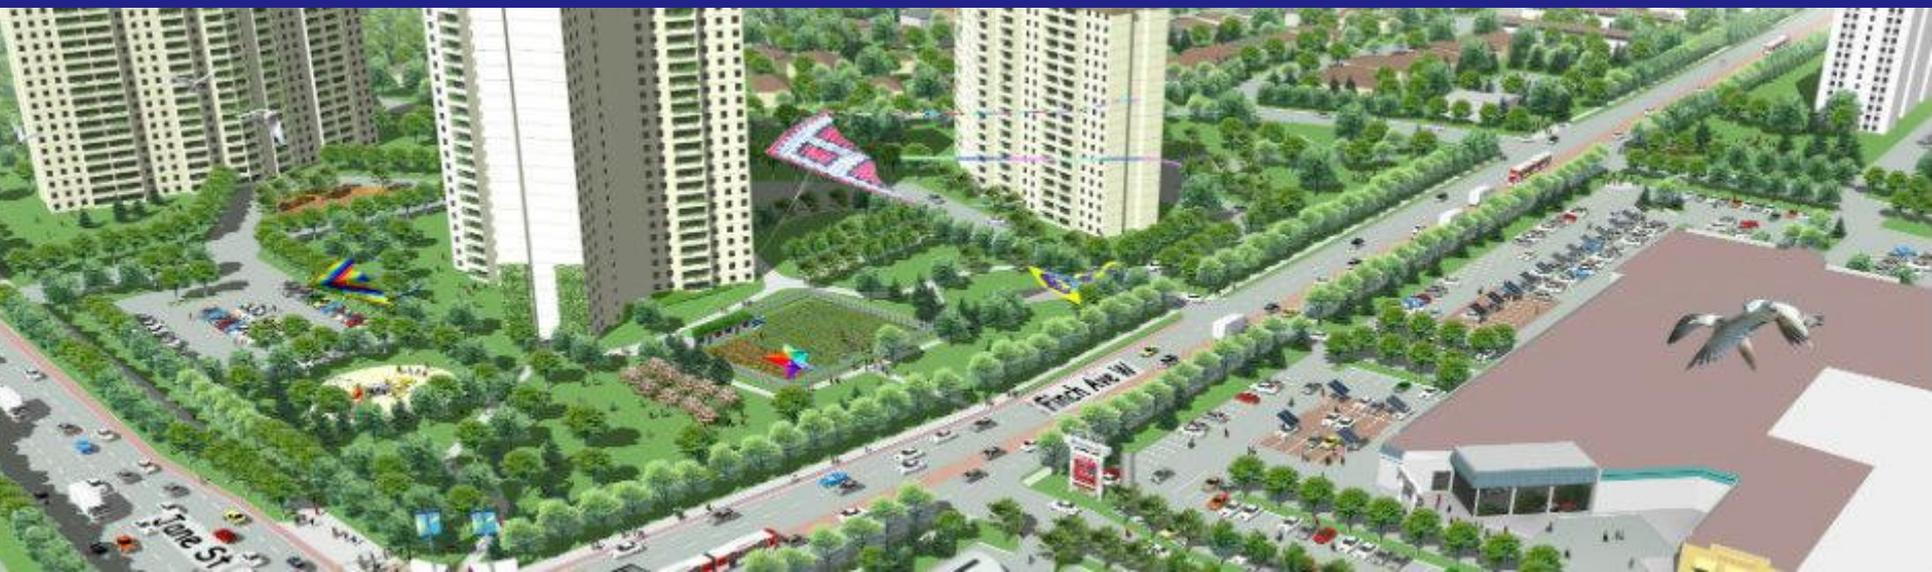

# The Stop

## Mashkikii;aki'ing (Medicine Earth Garden)

# San Romanoway Gardens

# San Romanoway Gardens Project Goals

Increasing food security

Greening and sustainable revitalization of outdoor spaces

Strengthening of community cohesion and pride

Social enterprise, job training and employment opportunities

# San Romanoway Gardens

# Access Alliance Green Roof Garden

# Access Alliance Green Roof Garden

# Conclusions

Urban agriculture isn't just about growing food:

- Make people feel welcome
- Learn new skills
- Empower citizens
- Makes the city greener
- Train the next generation of farmers
